TET-HEI-ALEF-HEI : spreading wings, well-favored, extended dwelling range

SHIN-QOOF-DALET : Almond, diligent, industrious, Zealous ! To watch, awake

SHIN-QOOF- HEI : refreshed, give to drink

NOON-SHIN-QOOF : kissed, armed, equipped. Genesis 33: 4 ... Numbers 17: 23

Jeremiah 1: 11

YHUH said to me, "You have seen well, for I hasten diligently, zealously to fulfill My Word"

The concept of turning, encircling, "around and around" or "turning the tables" is expressed a number of different ways by different words.

Here are seven of them with a few Scripture passages where the concept is expressed that a certain order of things is destined to turn-about if and when we believe and behave as directed... the restoration of the Confederated 12 Tribes of YSRAL.

TAV-UAW-RESH : circuit, one's turn in the queue, explore, reconnaissance  
CxET-UAW-LAMED : whirl, dance, in a circle, the fabulous, phoenix bird rising from the ashes  
ZAKARYAH 8, 10. YCxZQAL 39. HUSHO (Hosea) 14  
SAMEK-BEIT-BET : around, circular, surrounding ( Ezekiel 43: 12 ) ( Jeremiah 31: 21 )  
LAMED-PEI : "Laff" ... LPT : turnip, make tasty, spinning top, wound around, enveloped  
MEM-AYIN-RESH-BEIT-LAMED : "marble" ... vortex - mixed, confused, west, exchanged  
GIMEL-LAMED : revolving door, rolling, lever... metamorphosis, caused, gear wheel, pulley  
LAMED-UAW-LAMED : spiral staircase

The Letters in the center of the Almond Blossom can be read in any two or three or four letter word sets, beginning anywhere, and making sense.  
It is a "Circular Word" instead of a typical "Linear Word". Without beginning or end... just "is".  
Looking at all possible letter combinations that spell words in the YHUH or AHBH format, this seemed to be the only combination, with a little liberty (TET-HEI-ALEF-HEI) of poetic license.  
Other words with this alternating HEI design, did not lend themselves to the circle continuity... and these "just happen" to make sense and tell a message.

AL-BRR-THH : "Alberta"  
Motion towards the empowerment to investigate  
Meditations on the Covenant  
Having one's ability to refine appreciation of it's essence enhanced by contemplating the spelling of words, phonetically

NePhLAUT : "Doing the Paleo"  
Becoming lost and overthrown  
Was the curse imposed for breaking the sacred Vow of ALEF-TAV  
The wonderful, marvelous Letters of the ALEF-BEIT,  
Exhausted by confused phonetics,  
Omitted as nothing more than "Mysterious empty Symbols"

OMMYM  
The family disintegrated, obscured, alienated, became identified as detestable strangers,  
Invaders from the Sea.

TMYM  
Reconciliation, the curse reverses  
The puzzle of Human History and Cultural "hegemony" : the dominance of one group over another.  
Astonishingly made sense of as the grand plan of a Master Mind...  
expressed as the ALEF-BEIT, or, "TAVing the ALEF"

'SHAVUOT" : ShBUOUT  
Seven Sevens- timing-gestation, like bread in the oven... is done when it is done.  
Now is the time to satisfy the "Desire of the Ages"  
The Curse imposed is replete  
Restore the breach, mend the relationship  
Between YHUH and YSRAL... 12 Tribes YCxD

ZAKARYAH 11: 14  
"Then I broke My second staff, HCxBLYM, to annul the brotherhood between YAHUDA and between YSRAL".  
Ezekiel 37: 15- 28 speaks of the reverse event : "they will become one in My Hand".
